We make mining work.
The safe and robust MAN trucks.

Engineering the Future – since 1758.
MAN Truck & Bus

MAN Trucks get the job done.

Whether working under tough conditions over multiple shifts at maximum capacity, transporting heavy loads, or travelling on unpaved roads or dusty gravel tracks: trucks in the mining sector have a tough job to do. As a result they need to be safe, extremely robust, allow high payloads on the axles and be fitted with powerful engines – all whilst winning over customers with maximum efficiency and reliability. MAN mining trucks are the perfect choice to meet such demands. Whatever you need to transport, the consistently efficient TGS, TGS WW, TGM and CLA series rise to any challenge within the life cycle of a mine.

CLA	TGM	TGS/TGS WW

Drive	4x2, 6x2, 6x4, 8x4	4x2, 4x4, 6x2, 6x4	6x2, 6x4, 6x6, 8x4, 8x6, 10x4, 10x6
GVW	15t – 31t	12t – 26t	18t – 50t
EU Norm	Euro 2 – Euro 3	Euro 2 – Euro 6	Euro 2 – Euro 6
Rating	220 – 280 hp	240 – 340 hp	320 – 540 hp
